\$150 plate fee per color/ foil plate \$230

Different Die-Cut Edges may be available: Please Inquire: Straight edge, Small scalloped, Large Scalloped

Printing Limitations: Due to the flexible and absorbent cellulose tissue material, with 2-color printing separate plate registration of at least 1.5mm (about 1/16") is necessary. There may be slight color variations from the selected Pantone-U ink colors. Screens, heavy ink coverage, colors abutting, and full bleed print are not allowed.
